Details of your concerns

When a concern is raised, you should not immediately embark upon an internal investigation.

This means that in the initial stages, there is no need to gather statements or interview anyone. However, you will need to establish and gather sufficient information to enable us to understand the nature of your concern. As a rule of thumb, you should be able to tell us the following information:

1. What has happened
2. Where did it happen
3. When did it happen
4. Who is involved, and who did what
5. Why did it happen

Try to report in a chronological order.

If your information has come to you from a number of individuals, please be clear about who said what.

Please also detail any previous concerns about the person you are referring to.

<p>Has the club taken any action to manage this incident?</p>		<p>Include things such as: Did you call Police or Social Services? Who have you have spoken to about this matter; whether you have suspended an adult in relation to the concerns; anything else you think might be relevant.</p>
